Expertise. Expectations. Everytime

ABOUT US:

We are a local leading contracting and trading enterprise headquartered in Kingdom of Bahrain. with his wide vision to bring new ideas into the ,1955 Founded by Late Mr. Saleh Abdulla Kameshki in Kingdom had established a new division by obtaining the know how from United States of America for manufacturing cultured stone of the highest quality. We endow with over five decades of profound experience in developing commercial projects, turn key projects, industrial projects and pro luxurious gated residential projects with the best of amenities. It's difficult to encapsulate a legacy for more than years 65.

It's in the ability to survive and grow as a family-owned business, or in the way we have fostered loyalty among generations of employees and clients. One thing is certain that the legacy of The Founder Mr. 21st Saleh Abdulla Kameshki can be found in his spirit of excellence, of giving and growing into the century, and his continued commitment to core values.

Over the years, we have earned a reputation for quality and timely completions. All our projects come with environment safety standards, innovative design solutions and the best of amenities. The company takes particular care in ensuring that its projects feature perfection. Today, every construction contract executed by us is associated with prestige as virtually every project the company has developed till date has become a landmark in its respective surroundings. We have an Integrated Management System that demonstrates our commitment to quality.

MISSION:

The ethos of Saleh Abdulla Kameshki & Sons B.S.C (c) is to offer a fully integrated, in-house service, to carry out our Construction Projects and our strategic vision will reach to the whole GCC as our expansion plan is implemented.

VISION:

Our mission is seeking challenging opportunities in the field of Construction that provide an opportunity for both greater responsibilities and future advancement. With a fully integrated approach to Contract delivery we can put forth better control over delivery to achieve better efficiency and quality in a safer environment.

VALUE:

An entrepreneurial approach with service orientation and reliability through focusing on excellent service to our Clients with a more reliable and cost-effective delivery of their Projects.

CONTRACTING:

We build all types of commercial, residential, industrial and turnkey construction projects from concept to completion. We have capabilities to offer complete custom designed solutions including Interior & exterior designing, renovations, exterior remodeling and structural engineering. We provide all types of external and internal finishes and Maintenance.

We understand the importance of meeting your needs so that we can assist you in achieving your business goals; that's why we are committed to completing every project on time and within budget. We thrive to work with owners and engineers to help get projects in budget and completed on time. We work closely together with engineers to achieve the highest level of quality.

SKC is committed to surpassing the expectations of our clients, subcontractors, and suppliers by developing relationships through integrity, professionalism, and service which yields the highest quality construction projects.

With our experience, we have a thorough understanding of the special needs of our clients for accuracy in planning, budgeting, and scheduling of the construction project.

As a full-service construction provider, we work closely with the project team from project conception to project completion.

CULTURED STONES:

Artificial stones have become an integral part of décor when it comes to homes around the world. They provide beautiful and attractive look to its surroundings.

we originated our own brand name known as ,1986 Understanding the need for such products, in 'Kameshki Shadow Stone' manufacturing unit in Kingdom of Bahrain. Kameshki Shadow Stone is one of the leading artificial stone manufacturers in the Middle East with an unparalleled range of color, shapes and sizes, both for wall cladding as well as floors. Every piece is custom made and molded to replicate the sculptural detail and wall cladding as well as floors. Every piece is custom made and molded to replicate the sculptural detail and architectural integrity that makes Kameshki Shadow Stone the premier choice.

We have always been up to date with the latest techniques of the industry and we use a unique molding method that allows us to replicate any natural shape and texture to cater to the market demands. Our Pavers and Landscaping products are manufactured from quality concrete offering excellent durability and authentic natural beauty. We also provide Bomanite flooring and Kool Deck for Pavements and Swimming Pool areas etc.

Today Kameshki Shadow Stone is manufactured and sold all over the Gulf Countries with a branch We plan to establish a network of reliable distributors to .1997 office in Doha, State of Qatar since provide timely service and quality products.
